

CALL FOR ABSTRACTS

WMT Expedition Medicine Conference
21st – 25th January 2019
Chamonix, France

Abstract submission deadline is 1st December 2018
(Late submissions will not be considered)

- The abstracts will focus on recent research, interesting case studies or expeditions in the role of medic covering the entire spectrum of wilderness medicine.
- Accepted abstracts will be presented as posters at the meeting with a selection chosen for oral presentations. The best oral presentation will receive an award.
- Notification of acceptance will be sent to the principal author after 1 Dec 2018.
- Abstracts will be scored by a panel of the conference faculty using a validated scoring system from RCEM.

Instructions for Abstract Preparation & Submission:

- The body of the abstract should be no more than 200 words.
- Do not include references, illustrations, tables, or figures.
- Once the abstract is submitted, authors will have time to prepare a poster in time for the conference. Posters should be sized A1 and be visually stimulating.
- Abstracts should be divided into these sections: Introduction/Background, Objective, Methods, Results, Discussion, Conclusions. If the abstract is not research based, clearly this structure need not be used.
- List authors' full names. Important: You must enter the names of all authors in the order in which you wish them to appear in the printed text, should your abstract be accepted.
- Be sure to mark which author will be the presenter should the abstract be accepted for presentation.
- List authors' affiliations, any funding sources and/or disclosures.
- Include a contact name, number and email address.
- Send submissions as a Word document attachment by email to wmt@wildernessmedicaltraining.co.uk and use subject heading **Abstract Submission January 2019**. Submissions will be acknowledged by return email.

WMT reserves the right to cancel or amend this call for abstracts without any liability.
